Hotel Information: FSI Event

DEADLINE FOR BOOKING ROOMS / PAYING HOTEL INVOICES: MAY 30, 2025

For FSI 2025, the ERAU Campus Housing is **NOT** an option. We apologize as we understand how amazing it is to get the College Experience. We will do our best to take advantage of ERAU Admissions Tours and Experiences scheduled to make up for this change in 2025.

Hotel Opportunities - Daytona Beach:

Infinity Center of Education, the Central Florida Region PDO, has organized 37 hotels with 900 rooms using a special “Infinity” rate to secure hotel options that are within 2 - 30 minutes from the FSI Event. All bookings must go through Infinity in order to secure the hotel rate.

The FSI Team welcomes teams to book their own hotel reservations if they wish to use POINTS or wish to control all aspects of where to stay, including VRBOs, AirBnBs, RV-ing (overnight parking available in the bus lot), and any other appropriate hoteling situation.

Three Hotel Categories:

1. **BEACHSIDE:** a Marriott brand, Hilton brand, or Holiday Inn hotel that is physically on the World’s Most Famous Beach - Daytona Beach, FL. Direct access to the sand and waves for you to “DIVE” right into Submerged at FSI. The only drawback is the distance and traffic to get to/from the FSI Event venue may be 10-30 minutes depending on the time of day. Due to this, these hotels will have a dedicated bus that will go to Beachside NORTH and Beachside SOUTH. This is the BEST option with SAND.

Beachside Hotel Rates: \$150 - \$350
 Bus Transportation: Yes

2. **MAINLAND:** a Marriott brand or Hilton brand hotel that is physically on the mainland of Florida, aka not across a bridge from the FSI Event venue. These hotels are located within 2-15 minutes from the FSI Event venue. These hotels will have a dedicated bus route, with multiple buses running on-demand during their AM/PM schedule. The first run in the AM will be scheduled. The last run in the PM will be scheduled. This is the BEST option without SAND.

Mainland Hotel Rates: \$160 - \$250
 Bus Transportation: Yes

3. **ECONOMY:** a non-Marriott or Hilton brand hotel that is physically on the mainland of Florida, aka not across a bridge from the FSI Event venue. These hotels are located within 2-15 minutes from the FSI Event venue. These hotels are brands like Quality Inn, Best Western, Comfort Inn, and similar names. These are the BEST options if you want to save on SAND-DOLLARS.

Economy Hotel Rates: \$80 - \$160
 Bus Transportation: No

Hotel Coordination / Logistics:

FSI Hotel Coordination will only begin once your team has REGISTERED and PAID.

Hotel Coordination Process:

Step 1: Where to Stay???

Daniel Penny (FSI Hotel Coordinator) will reach out to COACH ONE via email with a proposal to meet the criteria captured in their Team’s Registration Form and begin the discussion/negotiation between location, hotels, and rates.

Step 2: Confirmation Numbers Secured / Invoice Sent

FSI will reserve your rooms with a confirmation number
An invoice will be sent to COACH ONE once an agreement has been made.

Step 3: Payment / Partial Payment

This invoice may be paid as a single gracious payment and the Team deals with coordination OR
The invoice may be partially paid by all individuals graciously responsible for paying for a single room, one meal voucher, or 50% of the team. This partial payment approach is to facilitate an easy mechanism for a large group to pay their invoice.

Step 4: (If Needed) Reservation Cancellation / Partial Payment Refund

If a team is not able to pay the full invoice, parts or all of the registration will be canceled and the invoice amended or canceled to reflect the decision from COACH ONE.

DEADLINE FOR BOOKING ROOMS / PAYING HOTEL INVOICES: MAY 30, 2025

Hotel Cancellations:

Contact Daniel Penny immediately via Email and then CALL!
Email: DPENNY@FIRSTPARTNERS.ORG
Call: +1. 321.446.4383
WhatsApp: Daniel Penny (QR Code >>>>>>)

As long as the cancellation happens before May 30, 2025, there should be a full refund. However, it is very important that you contact Daniel Penny immediately upon discovering any impact on an invoiced hotel arrangement. No email communication means your team will be responsible for any hotel invoices.

Hotel Opportunities - Orlando:

Infinity Center of Education, the Central Florida Region PDO, has organized 4 hotels in the Orlando area that have support for both Theme Parks and Transportation to/from major airports like MCO (Orlando International Airport, aka McCoy Airfield - hence MCO).

Hotel Coordination / Logistics:

FSI Hotel Coordination will only begin once your team has REGISTERED and PAID.

Hotel Coordination Process:

Step 1: Discuss during FSI Hotel Coordination

COACH ONE to express interest in Orlando Hoteling options.

Step 2: Invoice Sent

An invoice will be sent to COACH ONE once an agreement has been made on the Orlando Hotels. These will be invoiced separately from the FSI Hoteling Invoice.

Step 3: Payment / Partial Payment

This invoice may be paid as a single gracious payment, and the Team deals with coordination OR

The invoice may be partially paid by all individuals graciously responsible for paying for a single room, one meal voucher, or 50% of the team. This partial payment approach is to facilitate an easy mechanism for a large group to pay their invoice.

Step 4: Confirmation Numbers Provided

FSI will reserve your rooms with a confirmation number, closing the Invoice.

Hotel Cancellation Process:

Any cancellations at this point would need to be organized with the hotel directly, but please contact Daniel Penny before making any decisions so that he may help address the issue and limit the impact of any cancellation fees. Most hotels in this category will have a non-refundable component (either partial or full) to the invoice paid depending on when the cancellation is made before the reservation is booked.

FSI Hotel Transportation

We will have a shuttle bus available to get to the event for any team members and spectators/family members who have paid for hotels through the Room Blocks from FIRST LEGO League Florida Sunshine Invitational.

More information to come as the event gets closer.

Judging Session Locations

Building 331: Willie Miller Instructional Center
Building 321: College of Business

No Crossing The Road Using Crosswalks

The street crossing will be blocked from use during FSI to protect our participants from a very busy and sometimes unpredictable street. Daytona Beach Police will be stationed there to redirect teams to use the Pedestrian Bridge only.

Walking Over from ICI Center: Using the Pedestrian Bridge

Please plan for 15 minutes to walk from the ICI Center to the Pedestrian Bridge and then onto your assigned Judging Building. If anyone requires assistance, a golf cart is available, but it is to be used in very special circumstances. Please contact Daniel Penny with any special requests. Your team will cross the pedestrian bridge and follow the FSI Signage to Judging. Please use the same path in reverse to return to the ICI Center.

Podium

Each room that is scheduled for Judging has a podium with a laptop connection using HDMI. This will allow a team-provided Laptop to connect to a projector and utilize the display screen. The projector and screen will be checked prior to the event for proper functionality, however, this is not a guarantee that it will work/continue to work during your presentation. The University computers built into the podiums will NOT be accessible during the judging sessions.

Podium Usage Instructions

A simple how-to guide will be provided in the YAPP APP for turning on the projector, dropping the screen, and selecting the Laptop source. This is a perfect job for COACHES during setup.

Power Access

All rooms have accessible power outlets, but FSI will not provide any power cords.

Table Access

The team will have access to at least one table that is at least 1.5 feet (0.5 m) by 6 feet (2 m) long. We will make sure to provide an equal opportunity for each room so that each team has the same or similar access to tablespace.

Each room layout will be captured in the YAPP APP by June 1, 2025.

Judging Session Check-In

Please arrive 15 minutes early for your judging session for check-in and queuing.

TEAMS MUST CHECK-IN WITH THEIR BUILDING LEAD QUERER IN THE ATRIUM. TEAMS WILL BE DIRECTED BY THE QUEUER WHEN IT IS TIME TO “LINE UP” FOR JUDGING.

Judging Logistics

Team judging 9:15 AM on Friday, running throughout the day until Deliberations are complete.

- Each team will be judged within a single judging session.
- Only team members and **two (2) coaches** will be allowed into the judging rooms.
- One team coach will be permitted to videotape the PRESENTATIONS ONLY (NO Q&A or FEEDBACK); however, that adult should remain in designated areas.
- Nobody from the team or coaches should stand behind the judges.
- Coaches should be silent observers of the judging process and refrain from influencing the session in any way (be respectful to your team and judges if you are making noise, or disrupting, you will be asked to leave).
- Podium access with projector & screen (see above) - reminder technology can be tricky, and time is started as soon as you enter the room.

All cell phones (team members & coaches) must be silenced during the judging sessions. Judges should only see one cell phone (the coach recording or taking photos of the presentations only – NO recordings of the Q&A/Feedback). Please let the judges know if a team uses a cell phone for their presentation or timing purposes.

Please review the [rubrics](#) with your team before coming to the event.

The following outlines what you can expect in each of the judging sessions:

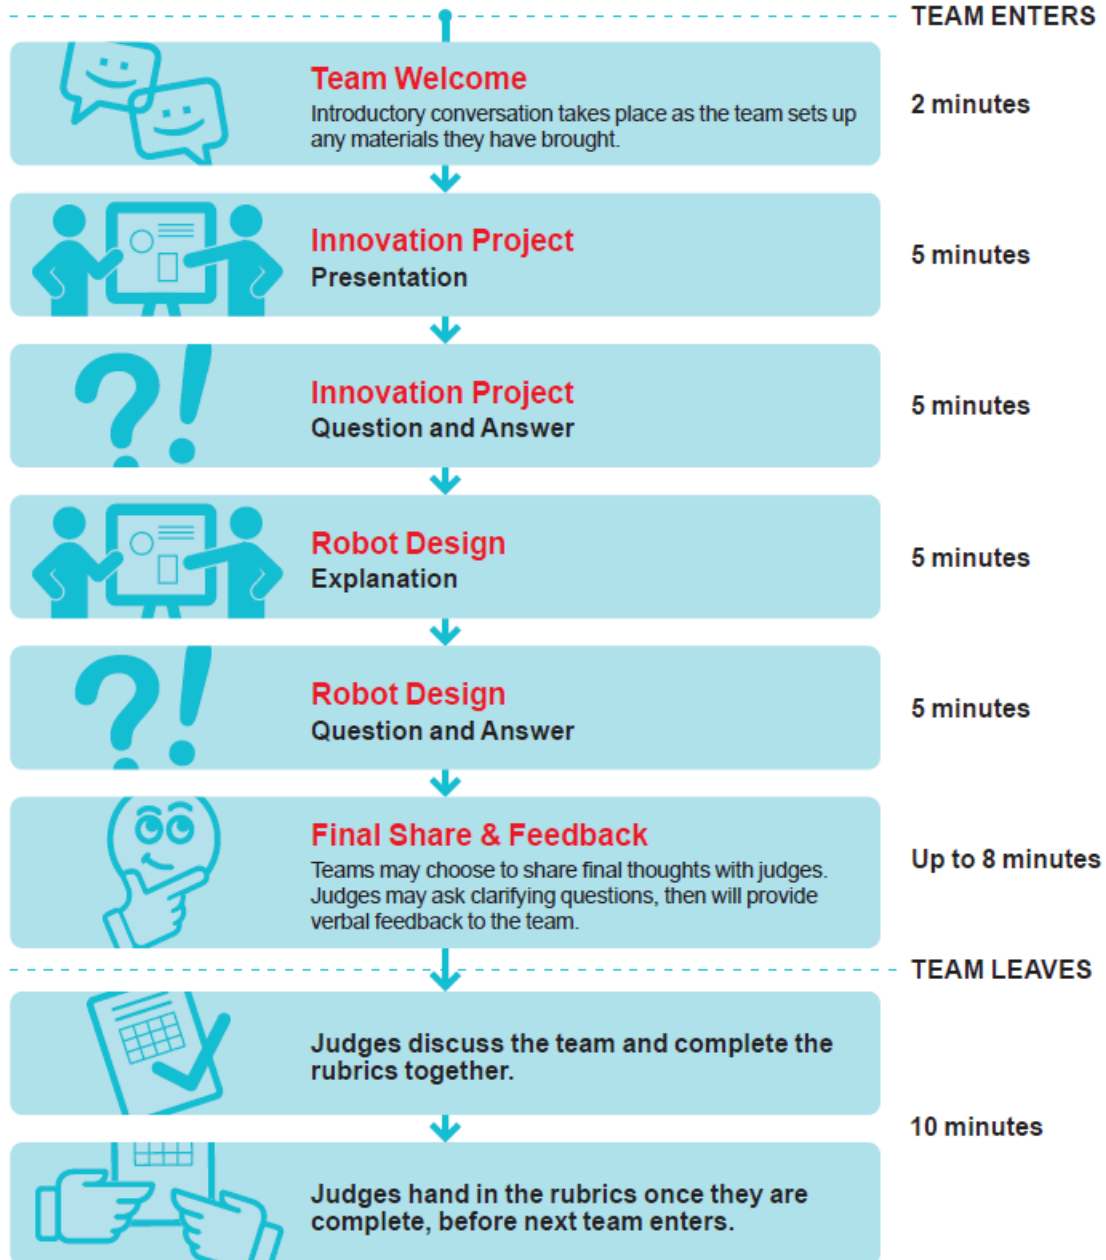

Judging Session Flowchart

Teams should demonstrate **FIRST® Core Values** in everything they do. Judges will be excited to see how teams used **teamwork, discovery, inclusion, innovation, impact, and fun** throughout their Innovation Project and Robot Design work.

Judging is a time to celebrate a team's accomplishments, but it is normal to feel nervous. Judges will do their best to encourage teams during the session. Teams should not leave anything in the judging room when they leave.

Judging Session Feedback Time

Judging sessions feedback is an opportunity for your team to express any particular concerns regarding what just happened. Your team must communicate effectively, timely and with gracious professionalism keeping in mind that the Core Values must guide us.

30 Minutes Feedback Period - Talk to JA / PDP Overseeing Judging

IF FOR WHATEVER REASON YOU HAVE AN ISSUE WITH YOUR JUDGING SESSION, YOU HAVE 30 MINUTES TO HAVE A DISCUSSION WITH THE JA (Andy Milluzzi) AND/OR PDP OVERSEEING JUDGING (Desh Bagley).

After 30 Minutes Since Judging Concluded

ANY ISSUES RAISED AFTER 30 MINUTES WILL BE VERY DIFFICULT TO DISCUSS AND OUTCOMES LIMITED.

NO RE-JUDGING SESSIONS ARE PERMITTED UNLESS THE JA AND PDP AGREE TO RE-JUDGE A PARTICULAR TEAM

Judging Sessions are not open to Spectators or the Public.

Robot Game

Your team is responsible for knowing and understanding the *FIRST* LEGO League Challenge Robot Game. All of the game documents can be found on the [FIRST LEGO League website](#).

You are required to know the following for the robot competition: Field Setup, Rules, Missions, and Robot Game Updates.

Housekeeping: Please Respect the property, host location, volunteers, staff, and Infinity Center of Education Property. We reserve the right to remove unruly people from the property. Please place all unwanted items in the trash cans.

Coaches: Two coaches will be permitted to join the team on the competition floor, but you must stay behind the line with the team and refrain from actively directing the team during the game. Please do not touch or handle the robot or attachments during this time. Consider yourselves spectators with the best spot in the house to watch the game.

Your team will participate four (4) times at the Tournament Tables – the Robot Game will begin with a Practice Round. The purpose of the Practice Round is to allow your team to experience the queuing process, competition timing, and of course, to get rid of some of those nerves. This Practice Round is just that – a practice – and it does not count, even if this is the best score your team has at this tournament. Your Robot Performance score is the highest score your team achieves out of the three official rounds.

NOTE: Remote controls are not allowed anywhere at this tournament (This includes Smartphone applications that enable you to control your robot remotely). Bluetooth may not be used. Your team could be disqualified if you are found remotely controlling your robot anywhere during the competition or if your Bluetooth is enabled in the competition area!

Make sure you are ready to compete at least eight (8) minutes before your scheduled robot round. Remember to respect the referees and the other teams – and **HAVE FUN!**

What is Gracious Professionalism®?

Gracious Professionalism® is part of the ethos of *FIRST*®. The idea and phrase are found throughout *FIRST*, but no one has been a stronger champion than *FIRST* Executive Advisory Board Co-Chair & Distinguished Advisor, Dr. Woodie Flowers. “*Gracious Professionalism* is a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community. With *Gracious Professionalism*, fierce competition, and mutual gain are not separate notions. Gracious Professionals learn and compete like crazy but treat one another with respect and kindness in the process.”

We expect all team members, volunteers, coaches, and families to behave as Gracious Professionals.
